

Oregon Investment Fund News

Special Event Announcement

March 1, 2010

What is the OIF?

The Oregon Investment Fund is a fund to funds that was initiated by the Oregon legislature to create value by building and investing in successful, innovative enterprises for the benefit of the Oregon Public Employees Retirement Fund (OPERF).

For more information about the Oregon Investment Fund, [visit our Web site](#) or contact:

David Almodovar
Credit Suisse
[E-mail David](#)

OIF Fund by the numbers:

The Oregon Investment Fund is a \$157 million program, committed to 10 funds.

Current funds have invested \$84 million in eleven Oregon and Pacific NW companies, influencing 2,767 jobs in the region.

The fund has attracted \$45 million in capital from additional investors.

Credit Suisse and OIF Spring Networking Event on March 31, 2010

Please join [Oregon Investment Fund](#) in partnership with [Portland Alternative Investment Association](#) and [Oregon Entrepreneurs Network](#) for an evening of mingling, networking -- and appetizers and beverages.

We are looking forward to hosting a variety of entrepreneurs, local venture capital and private equity managers and other community stakeholders.
